

Why use an ARLA Propertymark Protected Agent?

RESIDENTIAL LETTINGS

Whether you have a property to rent out or are searching for a home, you need an agent that you can trust and rely on when issues arise. The quality of the agent makes a real difference.

If you are a landlord, you need professional service and the confidence that your agent will manage your investment in your best interests. As a tenant, you need the reassurance that maintenance issues will be dealt with promptly and your tenancy will run smoothly.

ARLA Propertymark Protected agents help landlords to find the right tenants, and tenants to enjoy their treasured homes.

Every year tenants and landlords suffer through dealing with agents who are inexperienced or do not adhere to the law. In the worst cases financial losses can add up to millions of pounds.

We regulate ARLA Propertymark agents to ensure they work to a higher standard than the law demands. Make sure your letting agent is offering you Propertymark Protection.
